## Torch Bearer of Klahican Lodge 331

### A Message from the Section Chief

Jason Kemp • SR-7B Section Chief

### Hail to the Chief

Nathan Finnin • Klahican Lodge Chief

Dear Arrowmen of Klahican Lodge,

I congratulate you on a job well done in hosting the 2000 Conclave. Rain or shine, the Klahican Conclave Staff helped facilitate the showing of tremendous spirit. I remain amazed at the outpouring of spirit even in the midst of adverse weather conditions. I anticipate the spirit of our Order will continue throughout the year 2000 and beyond.

With this spirit of cheerful service, I am looking forward to working with the leadership of Klahican Lodge. Hosting a Conclave certainly keeps a lodge busy; a Conclave often increases arrowmen participation and heightens human resources for the year of Conclave. As your Lodge and Section Vice-Chief of Program Nathan Finnin knows, the most important goal of ANY OA lodge in ANY given year is Ordeals.

Keeping in mind the purpose of our Order, I challenge you as individual arrowmen to continue our dedicated service to your fellow brothers and your lodge. Inductions and the Ordeals are where we find the future of each lodge. Our commitment to these, our new brothers, is of utmost importance. I encourage you to make a difference in your lodge or chapter; be active in attending events and keeping the obligation of the Order of the Arrow. Wimachtendienk, Wingolauchsik, Witahemui.

Firm in Brotherhood,  
Jason Kemp  
2000 SR-7B Chief

Dear Brothers,

We all deserve congratulations on a job well done at Conclave 2000! Without the help of all of you arrowmen, this event could not have taken place. I ask that all of you continue your participation in our lodge activities, as I can ASSURE you that a major load has been taken off of our "weighty" responsibilities. I see great things for this lodge over the years to come, and invite all of you to take part in what is in store for this lodge.

*"the most important goal of ANY OA lodge in ANY given year is Ordeals."*

Jason Kemp

With the addition of our dance arbor, I encourage each of you to explore an aspect of native American culture. Our lodge is rich in knowledge of American Indian traditions, and the only way that they can survive is to be passed on to us, the youth! For more information on how you can get started, feel free to contact

I myself or J. Corpening. With the Ordeal approaching in May, we as a lodge are about to grow. I ask that you each take a part in making all new candidates/members feel welcome, and encourage continued participation in our lodge. Hope to see you all at Camp in May.

As the spirit leads,  
Nathan Finnin  
Klahican Lodge Chief 99-00

## Summer Fellowship and Ordeal

This year's Lodge Summer Fellowship will be held May 12-14, 2000 at Camp Bowers. We will be holding Lodge Officer Elections at this fellowship. So if you want a voice in how our lodge is run for the next year please attend!! The May Fellowship also marks the last Ordeal of this election year. Across the council new elections are being conducted for summer callout. May also marks an opportunity for Ordeal members to seal their membership in the order by achieving Brotherhood membership. If you have been an Ordeal member for 10 months, please take advantage of this special opportunity. There are several very important projects that we need to accomplish; The totem poles which were carved at conclave need to be set in the ground. Tents need to be set up. Some brush piles still need to be moved to the dump, and we can only do these with your help! PLEASE be sure to preregister (see form on back cover).

### From the Editor

Samuel Pitts • Editor

Dear Brothers,

It is indeed an honor to be serving Klahican Lodge as the Editor of the Nendawen. The new publications committee plans to produce the BEST "youth run" lodge newsletter in the section, and maybe even the country. But currently the publications staff consists of very few people. If you have been looking for a way to serve YOUR lodge, here's the chance! You don't necessarily have to be a good writer, we're looking not only for brothers to write articles, but also ones to maintain the Calendar of Events, and help with design and production aspects of the Nendawen. If you are interested in being part of the Lodge Publications Staff, contact me as soon as possible. Let's pull together and do this RIGHT!!!

### Vice Chief's Message

Brad Corpening • Lodge Vice Chief of Ceremonies & Coastal Chapter Chief

Brothers,

First of all, I would like to congratulate you all on a successful conclave. I believe that we did as good if not better than Wahissa did last year. I hope that all of you made it to the many great training sessions and competitions, especially the Dance Team and individual competitions and the ceremony competitions. The Dance Team, which includes Ryan Devine, Nathan Criser, Lee Pavlovich, Steven Covington, and Brad Corpening, received first place. In the individual competition, Ryan received first place in the Straight Dance category and I placed second in the Grass Dance category. If any of you think you are interested in the ceremony or dance teams, please call me at (910)392-6888 or E-mail me at Budfishing@aol.com, or call or E-mail the new ceremony team advisor Woody Meadows. Again congratulations on a job well done during conclave.

Also, the May Fellowship is coming up and I hope to see all of you that were at conclave there. We're going to have a lot of fun and a little cheerful service, as well as ceremonies and a dance team meeting, so if you're interested, please come out and get involved.

Finally, to Coastal Chapter members, the May meeting will be the last time we meet before summer, so please make a special effort to be there. The program is going to be a good one so come see it.

Yours in WWW,  
Brad Corpening, VC Ceremonies/Coastal Chapter Chief

Brothers,

The April chapter planning meeting went well. Eight members from two troops attended! Our next meeting will be Monday, May 8th at 7:00 p.m. and we are expecting even greater attendance. In the future, the Western Chapter will meet the Monday before each lodge event, at the First United Methodist Church in Laurinburg. Chapter members will be receiving postcards regarding these upcoming meetings. Our chapter proudly sent 11 delegates to the Cardinal Conclave at Camp Bowers on April 14th -16th. Members of the Klahican Lodge worked hard producing the Conclave, and we sure appreciate everybody's hard work.

The Western Chapter is growing rapidly. We are developing a great group of scouts who are excited about the Order of the Arrow. If you are still an inactive Western Chapter member, what are you waiting for? May 8th will be our last chapter meeting of the spring. Please plan to become more active over the summer, and be ready to join in our chapter activities next fall. I am your Chapter Chief, and I'm here to serve you. If I can help you, feel free to contact me. My telephone number is ; you can also E-mail me at .

### Conclave Report

James Campbell • Conclave 2000 Indian Affairs Co-chairman

Dear Brothers:

Conclave was a great success; A little rain didn't stop any of the Indian affairs events from happening. The hard work of all our Lodges' dancers paid off. Our Grass Dance Team, consisting of Brad Corpening, Nathan Criser, Ryan Devin, Steven Covington, and Lee Pavlovich, took first place in the team dance competition. Brad Corpening placed 2nd in Junior Grass Dance. Ryan Devine took first place in the Straight Dance category. The Indian Village offered dance classes/informational sessions for all the different styles of dancing during the three training blocks. I would advise you to attend classes at the next conclave if you are interested in learning any of these dances. Those sessions wouldn't have been possible if it wasn't for the work of Patrick Boykin and a few of his friends from Wahissa Lodge. I would like to thank the national award winning Wahissa Lodge drum team for playing for the dance competition and at the Saturday night powwow. I would also like to thank my committee co-chairman Greg Still, the committee adviser/new Lodge Adviser J. Corpening, and all the brothers what worked on the dance arbor. You did a great job! Although the rain stopped us from using the dance arbor for the individual dance competition, it was used for the team competition. Hopefully it will be used many more times in the future, especially at the 2006 Conclave at Camp Bowers. I hope to see you there!

## At the Heart of the Order

Stuart Harrell

I'd never been to a Conclave before. I knew that it was the most important OA event of the year, and being the active lodge member that I am, I decided to sign up for C2k. Everyone told me that Conclave 2000 would be a blast, but I decided to find out for myself.

There was only one problem with the weekend, but it really wasn't much of one. It did rain off and on Friday and Saturday, but the sun came out on Saturday afternoon raising everyone's spirits.

Spirit. That's another issue. I was amazed throughout the whole weekend at the amazing spirit our fellow arrowmen exhibited: Klahican, through our hard work and dedication to the Conclave itself; Wahissa, through grass skirts, sunglasses, sunscreen, and coconuts; Lodge 104, with their eye patches, flags, and swords; and Nayawin Rar with the D.O.T. signs and bright orange vests. The cheerful spirit that each brother expressed for scouting and the Order is commendable.

There is no other way to express my feelings about Conclave: C2k was just plain fun. We enjoyed the campfires, patch trading booths, competitions, and all the other events that took place on April 16th, 17th, and 18th. Our lodge did an outstanding service to section SR-7B (if I do say so myself) in organizing Conclave 2000. Guest lodges seemed to know what was going on where.

The chuckwagons were popular. There were no security issues. The medical staff was on their toes. The food was good. The competitions were organized. The camp was neat. The shows were spectacular.

Our cheerful spirits and service went a long way toward making Conclave a success, but, we, through our actions as a lodge, did not make Conclave successful. The credit for a successful Conclave lies in the ties of brotherhood.

The entire purpose of any Conclave is to bring arrowmen together, creating and strengthening the ties of brotherhood. Through the hard work and dedication to our cause, we taught an infantile Conclave how to walk; through the fellowship and camaraderie created by our brothers, Conclave grew into a successful being. I hope everyone met a brother that they had not known before, or at least found out something new about an old friend, for it is through these ties that the Order is bound.

The heart of the Conclave, and thus the Order, lies in

brotherhood. If you didn't learn something about someone this weekend, seek to do so next time. Do not be afraid to go out and find someone new to talk to. Add links to the chain of brotherhood, for the Order of the Arrow, of which we are all so proudly a part of, is truly "Firm bound in brotherhood..."

## National Leadership Seminar

The National Leadership Seminar is a weekend conference focusing primarily on the skills and attributes of leadership. It is intended primarily to enhance the leadership skills of the Order of the Arrow's key youth and adult members as they seek to improve their service to the Boy Scouts of America and the greater community.

Youth participants should be at least 15 years of age or a lodge officer. Completion of the Lodge Leadership Development Program is desirable. The seminar is an intensive experience in learning about the nature of leadership and practicing some of the skills that leaders use. While it is designed to be fun, the course is also mentally challenging. Participants should be developmentally, physically, and mentally prepared to actively engage in an exhausting, invigorating weekend.

At the end of the seminar, participants make a contract with themselves to apply the skills learned in the seminar to projects in their unit, lodge, council, and community.

If you are interested in participating in NLS, call Patrick Boykin at The Cape Fear Council Office: 910-395-1100. Space is very limited so reserve your space soon.

## ...And Now for a Little Piece of History

This is a letter was found in the publications team's e-mail box....DOES ANYONE KNOW WHO THIS GUY IS????

Brothers,

As I look back at where the lodge was the year before I took office as Lodge Chief compared to where it is now, I am just in awe! At the 1997 SR-7 Conclave, Klahican was anything but impressive. We had a large turnover of youth that year and there were actually more adults than youth at Conclave. A year passed, yours truly became Chief, and along came the 1998 SR-7B Conclave. Klahican won the Quest and we tied for first in the Spirit Award. The Section Chief broke the tie that year and we lost. I guess that gave us something to shoot for in 1999 when we went to Raven Knob under Tommy's leadership because we took the Spirit Award home that year. At the "Kevin and Nathan Show" last month, we won the Team Dance Competition, the Quest for the Golden Arrow, the Webpage Competition, had a Section Officer elected, had an individual dancer take home first place, and nearly pulled off capturing the Honor Lodge Award. Without Nathan's hard work as Conclave Chairman and Lodge Chief that weekend wouldn't have occurred. This only leaves me wondering about next year. It seems as though every year we keep climbing. The next Chief, and his officers, will have some giant shoes to fill, but I know with our youth a grand sweep of Conclave next year is the only thing they will have the lodge striving towards! There are a lot of things that I wish I could still do in the Lodge that I can't. Instead I was forced out just like my predecessors Tommy Cleveland and Patrick Boykin were, blindsided with a humiliating attack in front of hundreds of people. My challenge to the youth of this lodge is, simply do what you can to keep the lodge where it is at now! Until you become an adult, you really don't realize how much fun being a youth in the Order of the Arrow really was! A special thanks to Jim Strawbridge for his guidance he has given our past Lodge Chiefs over the years. A big ole sloppy kiss goes out to John Fort and Nathan Finin for their work over the past two years with Conclave! I can't wait to see if I can call all of my fellow OFCers by their first name without getting the "you are still a youth, you call me by Mr.X look!" See you at Summer Camp!

Yours in WWW,

Kevin Anderson

## My Two Cents Worth...

John Fort Jr. • Conclave 2000 Adviser

My "Brothers",

Conclave 2000 was a huge success, and it is with great pride that I send you this thank you note for all your help.

Klahican Lodge put on one fantastic Conclave. All the tireless hours spent planning, preparing, and carrying out your tasks paid off. You worked hard with smiles on your faces and you made everybody feel welcome. You worked like a team, and all the feedback I have received has been very positive. Thank you to all that came and worked and participated in the events. Every Brother took their job to a new height and kept a smile on their face, even when it rained and events had to be moved.

Now that you have seen how much fun a Conclave is, return to Camp Bowers May 12 - 14 and start making plans to go to the next Conclave 2001. We need the "SPIRIT AWARD" to return to the Klahican Lodge.

Thanks again for all your help putting on a great conclave. I am very proud of you and you can be very proud of all your hard work.

Your Brother,  
John L. Fort, Jr.  
Conclave 2000 Adviser

## Coastal Chapter's Adviser Minute

Mike Pavlovich • Coastal Chapter Adviser

Greetings Fellow Arrowmen,

As the new Coastal Chapter adviser I would like to congratulate everyone from our Chapter as well as the rest of our Lodge for a Cardinal Conclave well done!!!! The rain we had could not even come close to dampening the enthusiasm and feelings of Brotherhood that we were able to share with our fellow Lodge, Section and National Brothers.

I understand that our Cardinal Conclave was one of the largest in the country. To be able to host such a gathering and still compete successfully in the Conclave events is a tribute to the hard work and dedication of all that helped, no matter what their task. I would especially like to recognize our Lodge dancers, web page designers, and quest event participants, the best in our Section.

We need to keep up that good work. We need to encourage all of those Brothers who made it out to Conclave to make it to Chapter meetings and Lodge Fellowships as well. I saw a lot of faces during that Conclave weekend that I have not seen that often at other Chapter and Lodge events. Let us not let that rekindled Spirit of Brotherhood die down until our next Conclave. We need to fan that spark and encourage all of our Brothers to remain as active as they can in all of our Scouting activities.

I look forward to working with our chief, officers, and all of the members of our Coastal Chapter with anticipation. Together we can continue to grow and cheerfully serve Scouting throughout the Brunswick, Masonboro and Northeast Cape Fear Districts of our Cape Fear Council. I look forward to our Coastal Chapter serving our Lodge and helping it fulfill the purpose of the Order of the Arrow, one point of which is "to crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others." Together we can continue the good work that has been begun.

Yours in Brotherhood,  
Mike Pavlovich  
Coastal Chapter Adviser  
2000 Philmont Contingent Leader

# Adviser's Minute

J. Corpening • Klahican Lodge Adviser

Dear Brother,

It is my privilege to greet you for the first time as Adviser for Klahican Lodge. At the outset, let me extend thanks on behalf of each of us to Jim Strawbridge for his faithful service to the lodge as adviser for the last 10 years. Mr. Strawbridge is not leaving us, but has become actively involved on the Region level as a Region Committee member and as Region Adviser for the Order of the Arrow. This new volunteer position takes Mr. Strawbridge across the Southern Region (13 states) to attend meetings, National Leadership Seminars, and other training events. Congratulations on a job well done here and on your new position in Scouting!

Your mission, should you decide to accept it, is to avoid the post-conclave blues and attend the May Fellowship. Many lodges experience a decline in participation following conclaves because of the monstrous effort required to produce the event. We turned many heads with our conclave, and now we have an opportunity to continue to turn heads by the level of our commitment to our lodge. We have much to do, you and I. We have several important projects in May and we need your help! The totem poles which were carved at conclave need to be set in the ground. Tents need to be set up. Some brush piles still need to be moved to the dump. Your lodge Key 3 has met several times in the past few weeks identifying projects which are significant and meaningful to the camp and you. We are also working with Vice-Chief of Activities Hall Sigmon to add some fun to the fellowship!

The May Fellowship marks the last Ordeal of this election year. Across the council new elections are being conducted for summer callout. May also marks an opportunity for Ordeal members to seal their membership in the order by achieving Brotherhood membership. If you have been an Ordeal member for 10 months, please take advantage of this special opportunity.

Conclave 2000 was a spectacular event which highlighted leadership and talent of many of our members, both youth and adult. At the forefront of this mountaintop experience for our lodge were Lodge Chief and Conclave Chairman Nathan Finnin and Conclave Adviser John Fort. Their leadership was evident when piece after piece of the puzzle fell together for a spectacular weekend. At the Section level, our own Kevin Anderson provided outstanding leadership as Section Chief. On the home front, so many of you shone that it is impossible to list each and every one of the more than 220 of you who volunteered. Some significant highlights need to be noted, however.

To the 8 members of the cook crew headed by John Julien and the volunteer servers in the food lines, we say thank you. You had an overwhelming task, and did the job with cheerfulness and your usual gifts, even in the midst of 1000 hungry arrowmen! A special word of thanks needs to be extended to John Julien, who is retiring as head of the cook crew

after many years of service. John is going to do some traveling, then come home to go to NOAC with us.

To Mike Pavlovich and his chuckwagon crew, I want to offer a personal word of thanks. You guys fed me when I got too busy to eat in the dining hall. The Jalapeno Burger was a highlight. Through the weekend this crew put out hot food and snacks as Arrowmen went from event to event. Outstanding job!

To Will Rabon, Steve Aiken, David Harling, committee members and to each of the Troops who served as Campsite Hosts we say thank you. This is a thankless job to some extent since you tend to get stuck in your campsite, but you perform an invaluable service to our visitors by extending the cheerful spirit of our lodge to them, and by providing security for the campsites. I know your hospitality is one of the memories taken home by each of the lodges.

To Jeremy Lane, John Hall, Berry French, Wendy Purser and the entire shows crew, I can only say WOW! You produced two outstanding shows in the face of nature's spitballs. Outstanding! Your shows provided the catalyst for the spirit which the National Chief noted as being the most spectacular he had seen anywhere. Tremendous!

To Jim Taylor, Jan Eldridge, Maurice Williams and others who worked behind the scenes with registration, we are grateful for all of your efforts, even in the midst of irksome tasks and weighty responsibilities. You had perhaps the most challenging and frustrating job of conclave, but you brought it off. Thanks.

To Hall Sigmon, Tim Middleswarth, Adam Estep and the crew of the support/clean up crew, thanks for keeping us clean and moving whatever needed to be moved. It is amazing how much trash 1000 people can generate, but I know that you guys saw it all. Well done.

At the totem pole site, Leonard Tootill and Jerry Chavis did a fantastic job of handling our own totem pole and making sure other lodges had a good time while crafting some outstanding poles. Leonard and Jerry handle our totems each conclave, often missing the rest of conclave. This is a tremendous sacrifice on your parts, and we thank you.

To Duncan Regan, and to Roy and Gail Risley, the delegate handbook was great! Thanks for all of your pre-conclave work getting that together. Duncan and his newsletter staff put out some great newsletters during conclave to supplement the Apensui.

To Derek Boyd, Sam Pitts, and Rob Shaffer, thanks for handling security and parking. I know that you guys felt removed from conclave by meeting each arrival at the bridge, but it is an important job and you did it well.

To Quinn Thomas (Most Valuable Runner in the Mideastern 4A Conference Track Meet, 1st in the 800, 1st in the 1600, anchor on the 1st place 4x 800 relay, and 2d in the 3200, all in the same day!) and Barbara Saunders and

the entire trading post crew, thanks for all of your hard work. There were some great items for sale, and you greeted everyone with a smile. Well done.

To Brad Corpening, Woody Meadows and others who welcomed everyone to conclave, thanks for the cheery "welcome to conclave" which you used to greet each car that entered camp. Thanks for all you did.

To Greg Still and J.L. Campbell, thanks for the great job you did with Indian Affairs. Wahissa and Croatan had what they needed to run the competitions, and the competitions ran well even in the face of bad weather. It just goes to show that a plan B can work too!

Finally, to our resident doctors for the weekend, Joe Kittinger, Wayne Varner, and Buddy Mozingo, who along with Bill French handled the Health Lodge all weekend, we offer a special thanks. We have seen serious health issues arise at events before. Your presence was invaluable. Thanks for giving your time.

I also want to congratulate some special members of our lodge who achieved distinction during this conclave. Tommy Cleveland was awarded the Founders Award. The "web team" of Sam Pitts and Rob Shaffer won the Web Page Competition. If you haven't seen the pictures of conclave on the web page yet, make sure you check them out. The newly formed dance team of Brad Corpening, Steve Covington, Nathan Criser, Lee Pavlovich, and Ryan Devine won the Team Dance Competition. In the individual dance competition, Ryan won the Straight Dance category, and Brad placed second in Grass Dance. Our Quest for the Golden Arrow team brought home the gold for the second time in the last 3 years. Way to go guys!!! (and a special thanks to Tommy Cleveland who literally rounded up enough team members at the last minute to be able to compete.)

I know that I probably missed someone in trying to go through the list of committees and competitors, but the truth is that each one of you who participated in conclave deserve the thanks of the lodge and the section for your efforts. I challenge you now to maintain your level of involvement. The spark is there, already glowing. Fan it now, feed it until it is a fire!

See you in May for fun, fellowship, significant service and lodge elections! DON'T FORGET TO PREREGISTER FOR THE EVENT!!!!!!!!!!!!!!!!!!!!
