Home Again, Home Again, Maybe

With the closing of Camp Bowers in the summer of 2006, Klahican Lodge had no place to call home. So we went on the move, a World Tour, if you please:

September 15-17, 2006 - Tabor City, Jellystone Park.

January 12-14, 2007 - Jellystone Park

March 9-11, 2007 – Scotland county, McCoy Pond

May 18-20, 2007 – Pender County, Thomas Property

September 7-9, 2007 - Camp McNeill

January 11-13, 2008 – Camp McNeill

March 7-9, 2008 – We will actually almost be back home at Camp Bowers. The dining hall is undergoing final construction and inspection so we will be operating out of the Bowers Administration building. We have lots of work to prep for the conclave, Ordeal candidates will be there, and this will be the final fellowship before conclave. Oops, we will have a work weekend April 4-5. More about that inside.

If you were inducted into the Order at least ten months ago, you are eligible to seal your membership in the Order through the Brotherhood Ceremony this weekend. The necessary forms are on page 7. You must sign up and let us know you are coming because we are expecting a large crowd and we must prepare in order to provide a great experience for all. So, make plans to attend.

Lodge Adviser

We need your help now!!!!!!!!!!!!!!

There are several camp projects that need to be accomplished within the next few weeks that we need your help with. If your chapter, unit, committee or other group can assist it would be greatly appreciated by Klahican Lodge and Cape Fear Council.

- 1) Clear downed trees throughout the camp
- 2) Cut wood for campfire use
- 3) Paint bathrooms at handicraft shelter
- 4) Clean health lodge
- 5) Assemble picnic tables

If you have a chainsaw, wood splitter, pickup truck or trailer they can all be put to good use now through our fellowship in March. Not only do we need to prepare our camp for conclave but we also need to help get camp in shape for the general camping season. For efficiency and to prevent duplication of effort it is important that we coordinate our efforts through Janice Morgan at the council office. That number is (910) 395-1100, extension 23. This is a great opportunity for your group to get some service hours and enjoy camp at one of its most beautiful times while accomplishing much needed tasks.

Yours in service,
Mike Pavlovich

Secretary

My brothers,

It is, once again, time for our lodge year to begin getting very active. We have gotten full swing into the process of conducting unit elections. For those of you who have not helped with elections, I strongly urge you to do so. While doing this requires about half an hour of your time, you are also giving important service to your Lodge and fellow Scouts. Conducting these elections allows others to receive the honor, of membership in the Order, that you, too, have received. If others did not sacrifice their time previously, **you** would not be in the Order.

Additionally, for those of you who have been in our Lodge for at least ten months, and have not already done so, you may seal your membership in the Order by completing the Brotherhood ceremony at our March fellowship. By doing this, and many other things, you can help our Lodge possibly earn the distinction of Quality Lodge again in 2008! As normal, I will leave you with a quote:

"Dream more than others think practical.
Expect more than others think possible."
--Howard Schultz

Yours in the Wimachtendienk,

Timothy Hinson Chickagami Chapter

Arrowmen,

This year is very important for our lodge. We are hosting the 2008 Cardinal Conclave at Camp Bowers this year! Great ideas have been popping up since last year. However, to make these ideas happen, we need your help. We need as many scouts as we can to help make this the best conclave ever. Also, the March Fellowship is approaching and preparation for Conclave will be at its height there. Another date to remember. April 4th and 5th will be our workday for conclave. It will be at Camp Bowers. We will perform different tasks around camp. Ex. Cleanup, painting, setup, etc... With your help this will be a conclave to remember.

WWW,
Justin Hand

3 Fires Chapter

The Chapter is busy doing Unit Elections and Camp Promotions during February and March. We have completed two units and have the rest scheduled to be performed. We will be assisting the District at their Banquet by helping to serve the food. We will also be providing assistance at the Scout Show to perform the Webelos crossover ceremony. Not to mention that we are getting our smiles ready for the Conclave. I will be contacting you (3 Fires Arrowmen) for your support in making the conclave the best ever.

Yours in Brotherhood,
Robbie Bolin

Conclave Update March 2008

Fellow Arrowmen,

The 2008 Conclave is only two months away! All committees should be working hard to put the final parts of their "plan of action", into action. Remember that communication is a big part of running a successful conclave; chairmen, make sure you stay in touch with your advisors.

We need EVERYONE- whether you are working on a committee or not- to register for conclave as soon as possible. The more people that are registered and come to conclave the better off we will be. We also need as many people as possible to attend the upcoming March Fellowship. During the fellowship we will be holding a "mock conclave", and will run through everything that is going to go on at the actual conclave, just to make sure that everything is done and there are no problems.

If there are any questions please feel free to contact Mr. Fort or me.

We still have some committee chairman jobs open, if you are interested in doing that job call or e-mail the advisor and see what the job requires.

2. We will be working cutting up downed trees or limbs from all the campsites and roads. We need chain saws, loppers, trucks or trailers to haul it off. We must have the correct safety equipment - safety glasses, gloves, and ear protection and worn all the time we are working.

3. Committee Chairmen and Advisors: at the March fellowship your report will need to be in detail about what you are going to do and how you are going to do it. If you need material see if you can't get somebody to donate it.

4. Printing needs? See your Publication committee. If you need printing they can get it copied.

Conclave Campsite Hosts

Thanks go to the following individuals who have agreed to recruit fellow OA troop members to serve as a campsite host at the upcoming conclave. This is a great opportunity to make new friends and share the hospitality of the Klahican Lodge.

David Adams, Troop 447 Lorrie Luhning, Troop 232
Terri Borgardts, Troop 240 Larry Greer, Troop 215

We need one more campsite host. If you have an interest, please call David Harling at 910 280 0389 or email him at david@davidharling.com.

-
6. Ask questions if you have questions. Speak up and solve somebody else's question.
 7. Several committees have printing needs that are mixed together - see the Publication Committee. Color copies, parking permits, church programs; you name it they can get it copied.
 8. Stuff for the 1200 delegates handbags. We are looking for pens, Pencils, rulers, note pads, NC States maps (2008). We have 1200 bags that we need to fill up. Places to get "stuff": from banks, hotel/motel chains, large businesses, Chamber of Commerce from you home town, fast food places - get their corporate office to get something that would cover the whole state, FedEx, UPS, KFC or places that you know. We need the stuff at the March fellowship.
 9. Items that aren't donated and must be purchased. First you need approval, then the paper work is turned over to David James so he can approve and get a check sent out.
 10. Klahican Lodge will have a small contingent camping in Pedro's Pen. The balance will be camping at McNeill.
 11. Information about Challenge Valley events. The person must be 13 years old and have a current medical form on file at the conclave. A "Day" person will not have a medical on file so they can't use the events. The events include - Pamper Pole, Zip Line, Tango Tower, and Climbing Tower. We need to make sure this information is in the delegates' handbook and posted in all lodge campsites.
 12. Radio needs. We are asking our lodge members to bring their hand held radios to the March fellowship. We need to develop a camp wide radio net.
We will checking all bands and grouping radios to work together. We will make a master list of each group and which frequency they are using. We will also make a list of key people's cell phone numbers.

Editor's Note:

The next pages are important. As you know, Klahican Lodge is hosting the SR-7B Conclave in April of 2008. It is necessary that you read these pages and use them NOW if we are to have a successful conclave.

Immediately behind this page are two forms - one for registration to attend the conclave. The deadline on the form is March 30, 2008, but you need to make the commitment to your lodge now and send in the form so that we can plan our committees. We need every member of the lodge (485) present and working to make the conclave a success.

Next is the Conclave Delegate Medical Form. This form is mandatory to attend the conclave. Send it in with your registration. Do Not Send In Your Regular Summer camp Type Form. This is the one we must have.

21. Notice - Because we have had to move the campfire area up to Eagle field we will not have bleachers to sit upon. You will need to bring your chair to set on or plan on setting on the ground. People will be asked to sit down so others can see.
22. Reminder - We are a small lodge so if you see a Klahican Arrowmen that needs a hand to get a task done, please give him/her that supporting hand.
23. From the Conclave Planning Committee we would like to thank you for all the hard work you have already put in to the conclave, but also thank you for the hard work that still needs to be done to make this conclave a big success.

Life Membership

At the Lodge meeting in January, after proper notice to the Executive Committee, the Lodge Bylaws were amended to reflect an increase in the fees for Lifetime Membership. This was necessary to keep pace with the increase in the regular dues. The new section is below.

SECTION G. Lifetime Membership.

For members choosing to do so, a member may pay a onetime fee of ten (10) times the current dues to receive a lifetime membership in Klahican Lodge. The money will then be placed in a trust fund with only the interest used by the Lodge for its operating expenses. The member need not pay dues to the Lodge but must remain registered with the BSA in the Cape Fear Council and thereafter has full rights as an active member in the Lodge.* The member is responsible to insure his name and current address is correct on the Lodge membership books. A Lifetime member may receive a new membership card as the need arises. *(This amendment effective 01/20/2008)*

*To be registered in the Lodge a member must already be a registered scout or scouter with the Cape Fear Council. Lifetime membership does not cover the annual cost of dues to BSA.
