May Fellowship

Our upcoming Fellowship is May 15-17, and we have planned lots of fun, as it is a NO ORDEAL weekend. First, in the morning, we have some unusual cheerful service to give to the camp as we help layout and mark a new orienteering course for summer resident campers. Please remember to bring work gloves, bug spray and work clothes as we will be in and out of the woods. More cheerful activities are planned for the weekend including a Hawaiian style cookout at the waterfront for lunch and a couple of hours at the lakefront having a party. Bring your towel and bathing suit if you plan on going in the water. Later in the day, we will have an ultimate Frisbee competition, a presentation by Mr. Pavlovich on regalia making and, a special presentation by Mr. Fort who has agreed to teach us about patch trading and some of our lodge history. If you want to do some patch trading over the weekend, be sure to bring your patches.

Vice Chief of Activities

Brothers,

During the weekend of April 17th, we “caaaa-ed” all brothers together and had over 100 delegates from our lodge go to the 2009 Cardinal Conclave at Camp Tuscarora hosted by Nayarwin Rar. The weekend was full of fun events, competitions, food, regalia making, great campfires and ultimately, a fireworks display that was as good as Wilmington’s 4th of July display. As many of you know, for the past two Klahican Lodge fellowships, the planned activities had included practice for the Quest Events at Conclave in hopes of winning the Quest for the Golden Arrow. You will be happy to hear, that our practicing paid off as we were honored with the Golden Arrow Award at the end of the weekend! We are all really proud and excited to have received this award, as it is the first time in six years that we have won it. Thanks to all of our lodge delegates that actually participated, as well as those that cheered them on, to make this possible— We ROCK!! Our ceremonies and dance teams are awesome, as well, and won several recognitions. Congratulations to all of our brothers that showed our great Klahican Lodge spirit.

We look forward to seeing you all at the May Fellowship and hope that you will take an opportunity to join us for what will be a great weekend. Also, this will be a Brotherhood weekend for any candidates that want to seal their membership in the Order of the Arrow.

WWW,
Parker Luhring

Vice Chief – Indian Affairs

Brothers,

Not only was Conclave a blast, but it was also a success in the competitions. The Ceremonies team took 3rd place over all in Pre ordeal, and 2nd place over all in Brotherhood. With individual wins of Kevin Black: 3rd place (pre ordeal), Will Bernard: 2nd place (brotherhood), Parker Luhring: 1st place (brotherhood) and 3rd place (pre ordeal), and Ward Stevens: 2nd place (brotherhood) and 2nd place (pre ordeal). Also Jeremy Ricks placed 2nd in the individual junior Grass dance competition. Great job to both the ceremonies team and dancers. Next fellowship there will not be a Ordeal Ceremony.

Yours in brotherhood,
Ward Stevens

Chickagami Chapter

Our attendance is steadily increasing, and we hope that it continues.

We are in the process of scheduling a "Chapter Camping Trip." We are also in the process of having a Chapter Shooting Sport activity soon at Camp Bowers.

And just a reminder, we now meet on the SECOND THURSDAY of every month, at First Presbyterian Church in Lumberton.

Hope to see you all there!!!

Yours in Brotherhood,
Ethan Byrd

Kittahican Chapter

Brothers,

It was GREAT to see everyone at OA Conclave the weekend of April 17-19th. The weather was perfect and so was the turnout with over 1,100 Arrowmen attending the annual OA event. I think everyone had a fantastic time whether it was eating, having fellowship with each other, playing basketball, BMX riding, attending OAX, participating in the Quest events or viewing the fireworks Friday and Saturday nights. It is my understanding that 105 Arrowmen from Klahican Lodge registered for the event. Thanks to Nayawin Rar for hosting the Conclave this year. They were wonderful hosts. Congratulations to Parker Luhring, and Ward Stevens for their winning performance in their pre-ordeal competition, and also Kevin Black, and Will Bernard for their winning performance in pre- Brotherhood competition, and finally Jeremy Ricks for his winning performance in the grass dance completion. I am sure looking forward to attending Conclave next spring in 2010 when Croatan Lodge hosts the event on the banks of the Pamlico River at Camp Bonner.

Our Kittahican Chapter met on Tuesday, April 28, 2009 at Jangle Rapids.

Yours in Service,
Adam Burgess

Yours in Brotherhood,

Michael Sanderson

Lodge Adviser

Hello Brothers – I am excited about being asked to be the lodge advisor. It is a humbling experience and I hope that I am worthy of the position and responsibility. When I think of

2009 Klahican Lodge Calendar

the previous lodge advisors the task seems huge! I am comforted by the number of brothers that have extended their offers to support and help me – I will be asking you for that help soon!

I would like to take this opportunity and thank our past lodge advisor, Mike Pavlovich, for his leadership during his tenure. He helped see the lodge through some difficult times. Mike – we appreciate your efforts!

I am extremely excited about our current lodge officers and look forward to working with them and challenging them to take the lodge where the youth want it to go. It is a great time for change, because if change is not occurring then you are stagnant! Change is constant!

It was amazing to see the involvement of our lodge at conclave. Ceremony, dance and cooking teams are alive and well within the lodge. These teams were excellent in representing our lodge. Several of our members taught scouts how to tie fishing flies at OAX. Our lodge loves to win the quest events and the Golden Arrow! I hope everyone had as much fun as I did at conclave.

As the new lodge advisor, I will be asking a lot of questions. Please remember that I like to gather as much information as possible when facing any decision. I hope this does not bother anybody. I just like to understand how we got to where we are today. Then I will be in a better position to advise and support our youth leaders.

It is my hope that everyone will support me in my new position. Maybe I will not be too much of an irksome task!

Yours in Service

David Criser

Past Lodge Adviser

Greetings Fellow Arrowmen,

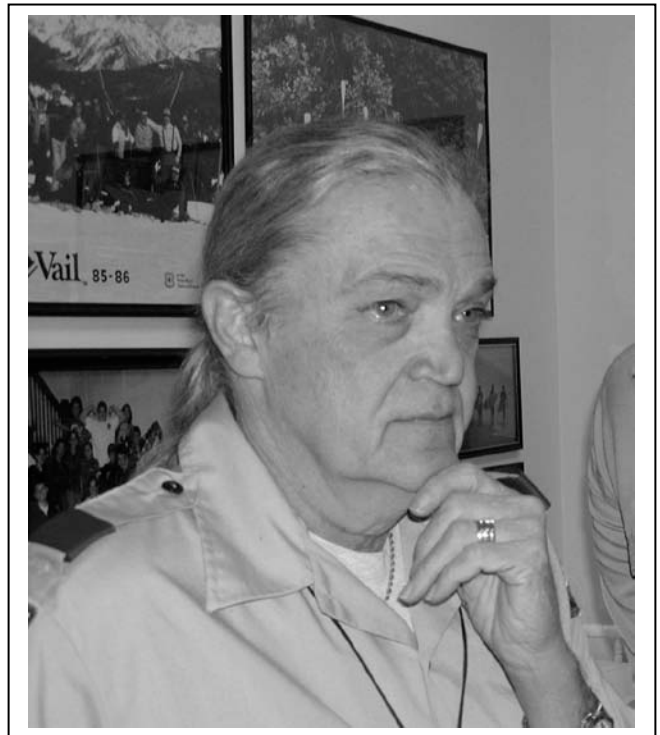

I would like to take a moment to express my gratitude and appreciation for the time that you and our council have allowed me to serve as Klahican Lodge advisor. The opportunity to serve our lodge has been one of the most rewarding Scout experiences that I have had as an adult leader in Scouting. The rewards of working with the young men who lead our lodge and the adults who give them guidance cannot be adequately expressed in words. I have learned so much from all of them as well as from all of our lodge members.

I look forward to our lodge going to the next level with David Criser at the helm. I hope all of you give him the cooperation, support and effort that you so kindly afforded me during my tenure as lodge advisor. I firmly believe that with David as our new lodge advisor we can achieve a level of quality and youth involvement that we have not seen before.

I cannot write this farewell without also saying so long to Gerald Nance. He was a valued member of our lodge who contributed much. He will be missed.

Yours in Brotherhood,
Mike Pavlovich

BROTHERHOOD MEMBERSHIP* From the beginning of the Order in 1915, all members have been equal. There are no ranks. An Ordeal member is entitled to all the rights and privileges of membership in the Order. Yet, so important is the induction sequence that the Order strengthened it by creating Brotherhood membership. It is an opportunity for members to evaluate their past service to Scouting and to the lodge since their Ordeal induction. Brotherhood membership is sought by Arrowmen seeking to reaffirm their belief in the high purposes of the Order. Before becoming a Brotherhood member, each Arrowman makes a special effort to serve his troop and to learn about the Order. Each Brotherhood member commits himself to even more service to Scouting through the Order. . . . Brotherhood membership marks the completion of your induction into the Order of the Arrow. **After at least 10 months of active service, you are eligible to seal your membership in the Brotherhood ceremony.**

You must meet five challenges before you can enter the Circle of the Brotherhood. When you are satisfied that you are meeting the first four, then complete the fifth challenge.

1. Memorize the signs of Arrow membership. Memorize the Obligation of the Order, which you received from Allawat Sakima

(printed on the membership card). Also memorize the Song, the Admonition, the sign of Ordeal membership, and the Arrow handclasp.

2. Advance in your understanding of the Ordeal. Gain a thorough understanding of the Ordeal through which you have passed. **3. Serve your unit.** Retain your registration in Scouting. During a period of at least 10 months, strive to fulfill your Obligation by continuing and expanding your service to your own troop. **4. Plan for service in your lodge.** Retain your registration in your lodge and keep your dues paid. Be aware that acceptance of Brotherhood membership involves a pledge of service to the lodge. Develop a concrete idea of how you plan to fulfill this pledge. **5. Review your progress.** When you earnestly feel that you have met the four challenges above, write a letter to your lodge secretary. In this letter: I, explain what you think the Obligation means; ii, Describe how you have been fulfilling this Obligation in your troop and in your daily life, and how you have used your understanding of the Ordeal to aid in this service; and iii, Describe your specific plans for giving service in the lodge program.

*From the ORDER OF THE ARROW HANDBOOK, 1992 Ed.
